## Farm Park Savings Plan Terms & Limitations

- Annual enrollment fees are due on the first appointment of the year, or can be paid ahead for the following year's enrollment.
- Annual enrollment fees paid for each person must be paid in full on/or before their first visit and are non-refundable.
- Family members can enroll at different times of the year. However, the end of the benefit year will remain the same for all family members; plan expiration will be 365 days from the first family member's enrollment date. Family members include parents, legal guardians and children.
- All treatment must be paid in full at each visit to keep the plan in effect. No exceptions.
- Any benefits not used in an enrollment year cannot be carried over.
- Family members cannot be substituted for other family members. Enrollee's names must be stated at the time of enrollment. Children are covered up to age 26. This plan is non-transferable.
- This is a Dental Savings Plan and is NOT dental insurance. It cannot be combined with any other discount or dental insurance. If you have insurance coverage, claims must be filed with your insurance carrier.
- Membership is good while Dr. Ngozi Okoh is the treating pediatric dentist.
- The Dental Savings Plan is not valid toward any treatment due to an injury involving a lawsuit, car accident, medical insurance, workman's compensation, or homeowners insurance.
- Membership fees subject to change at any time.
